

RED LODGE AUSTRALIA

These Shamanic Studies are teachings handed down by the
Twisted Hairs Metis Medicine Society Council of Elders.

Please join us for a FREE Preview Evening...

Monday 16th Jan, at 7pm in Red Hill, Brisbane.

The Red Lodge Longhouse Program is a transformational shamanic study of our interconnection with everything over a course of six weekends. Students explore in depth the ceremonies and circular thinking of the Wheels and Keys of knowledge of the *Sweet Medicine Sundance Path*.

Our Speaker... Kristin 'Golden Ring Snake' Viken, a native of Norway, currently resides in Phoenix, Arizona. With studies in Philosophy, Psychology and Comparative Religion at the University in Bergen, she apprenticed to the Sweet Medicine Sundance Path 1990. Through her training and experience, she has achieved a level of excellence that inspires and transforms.

She has run many Sweet Medicine Sundance programs in Australia over the past 7 years and now brings the time honoured lineage program of Red Lodge. Come and hear her insights into this, her "path of heart."
