

RED LODGE DATES – 2017 Program

As the foundation place of the teachings of the Sweet Medicine Sundance Path, the Red Lodge Longhouse program offers tools, ceremony, warrior techniques, and teachings in five weekend sessions plus one ceremonial week out in nature. We provide the growth opportunities within a safe, community setting to embark on your own inner journey to heal the self and find your warrior within.

- *Find balance with yourself, with life, nature, and the sacred*
- *Increase interpersonal growth and healing*
- *Participate in ceremony and medicine wheel workings each gathering*
- *Enjoy community and study with like-minded individuals*
